Dear Gill,

Please find enclosed a cheque for the amount of £1034.78. This donation was raised by employees at Scottish Widows on our Charity Dress Down Day on Friday 30th May 2008, and the donation is in memory of our son Roan Comrie-Relax.

A lot of us decided to bring in home baking, and other goodies, and asked for donations which helped to raise a lot more than we normally would. In fact this has been the most successful Charity Dress Down Day so far, so a very positive day. Thank you again for forwarding the posters which I displayed around the Dalkeith Road office to help raise awareness of the charity. There were various people I spoke with on the day whom informed me that their child started their life in the Neo-Natal unit, unfortunately I didn't get names.

I would like, once again, to give a big personal thank you to you, along with all the Doctors and Nurses for all their care, support and hard work when our son was in the Neo-Natal Department, and for their continuing work to all the special babies who desperately need them! We all hope this money can be of great use to the department.

Lloyds TSB Foundation has confirmed to me that they will match up to £500 towards the amount we have raised. This will be sent under separate cover and towards the end of this month.

Yours sincerely,

Sarah Comrie-Relax
