

# Baby Beanie Hat with brim

Sets of a jacket and a matching hat  
will be most welcome

Our hats can be simple Beanie style  
or you can add a brim with a heart motif.

## Requirements

Please use new yarn.

While we appreciate that individuals have different abilities and as these are gifts for babies and families who have gone through so much, we would appreciate a high quality of crochet and sewing up.

All sewing MUST be fastened securely.

## Post to us

Please enclose with your package your name, email address and/or home address with the quantity made. This will allow us to contact you with our thanks:
